

**Show your Neighbors how you are Soaking up the Rain with a Free Sign!**

There are 2 signs, one for rain gardens and another for porous paving. You can choose which side to display. One side has a simple message, while the other side has a more informative message. (See examples below.)

Interested in a sign or several signs? Contact Patty Gambarini at [pgambarini@pvpc.org](mailto:pgambarini@pvpc.org) or 413-781-6045.

Rain Garden Sign

Porous Paving Sign

**Rain garden**

This garden is designed to let rainfall or snowmelt soak into the ground...

- reducing flooding
- replenishing groundwater drinking sources; and
- eliminating flows that carry pollutants to nearby rivers

**soak up the rain**

Connecticut River Stormwater Committee
